Dear Dr Hamel-Desnos,

The next Charing Cross Symposium will be held on 15–18 April 2019 (Monday to Thursday) at Olympia Grand, London, with the theme “Vascular and Endovascular Challenges Update”.

The symposium will offer a three-day Aortic programme (Abdominal and Thoracic Aortic Plenaries, Techniques & Technologies), three days of Peripheral activities (Plenary, Techniques & Technologies, and ilegx), three days of CX Venous programme (Plenary and CX Venous Workshop), and also dedicated Vascular Access and Acute Stroke sessions.

On behalf of the CX Executive Board, we would like to offer a £100 discount on full registration to all members of the French Phlebology Society who would like to attend CX 2019. This reduces the early bird registration rate (4-day rate) to £595. In addition, we would like to offer free registration to 3 officers of the Society and in return, we would request an endorsement of the Charing Cross Symposium by the French Phlebology Society. We plan to publish a list of national vascular societies that endorse CX and would like to include the French Phlebology Society in this.

We would also like to support more vascular trainees and fellows to attend the Charing Cross Symposium with a 50% reduction in registration for junior members of your Society. Currently the Junior registration rate is £345 during early bird period and £395 afterwards. With 50% off this would reduce to £172.50 and £197.50 respectively for the 4-day Junior registration rate.

Finally, we are keen to publish the latest news from the Society in Venous News that is distributed to 20,000 vascular specialists. Please let your members know about the free subscription to Venous News is offered to vascular specialists based in Europe. If they would like to sign up to receive this newspaper, the Society members will need to complete the online form at https://bibapublishing.com/subscriptions/

We look forward to welcoming many participants from the French Phlebology Society to CX 2019!
