Dear Partners,

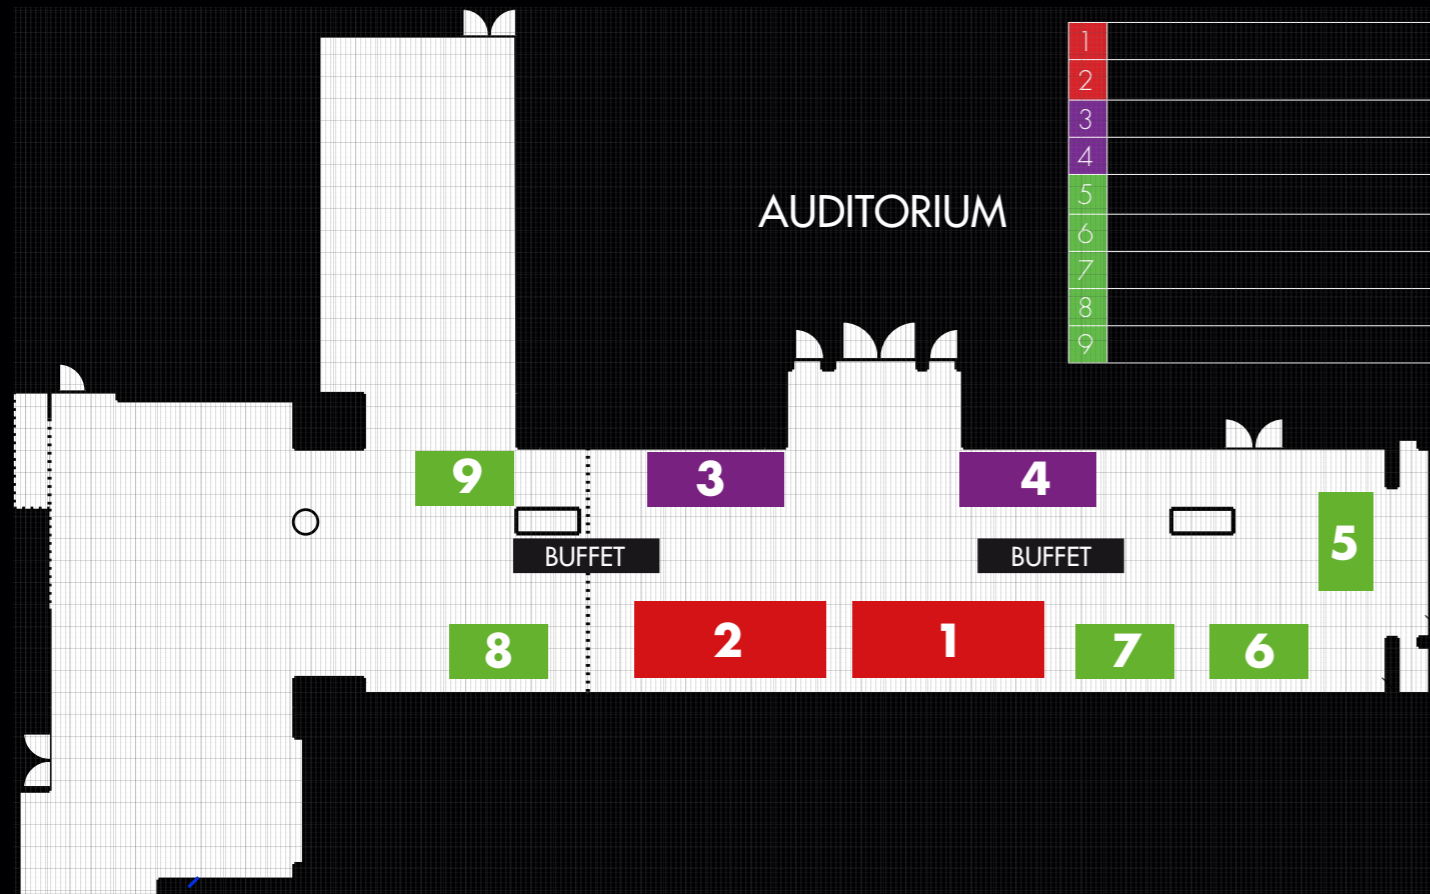

We are proud to present the 2019 edition of the RHYTHM Congress from October 17 to 18. Two days dedicated to new insights & technological advances of arrhythmias and heart failure treatments. Espace As a biennial congress, the RHYTHM has become a major event in rhythmology and cardiac pacing over the years, gathering up to 300 professionals.

We are pleased to offer you the opportunity to support the RHYTHM 2019 edition, for the first time in Paris, in the Novotel Paris Tour Eiffel Hotel.

Symposia will also be scheduled every day to continue the discussion and present industry results and news in the main room before lunch.

We thank you in advance for supporting RHYTHM 2019 for a future-oriented education on arrhythmias and heart failure treatments.

The RHYTHM Congress Directors,
Jean-Paul Albenque, Clément Bars, Davide Castagno, Pierre Fiorello, Fiorenzo Gaita,
